

 Interdeco™

Residence Collection

Residence Collection

The Residence Collection by Mohawk Group was designed to meet the unique performance demands in Senior Living spaces while providing the comfort and aesthetic options that their residents desire.

PERFORMANCE

Made from the highest quality PET fiber, that starts clean and stays clean.

EASY TO CLEAN

EverStrand is made from the highest quality PET fiber, that starts clean and stays clean.

SUSTAINABILITY

EverStrand fiber is made with up to 100% post-consumer recycled content. Durable, long-lasting carpet contributes to a cleaner planet.

SmartStrand.

PERFORMANCE

SmartStrand carpet fiber provides 0% moisture absorption. This unique fiber has no dye sites means the carpet will never lose the built-in stain protection.

EASY TO CLEAN

Permanent, built-in stain resistance with spill and soil protection.

SUSTAINABILITY

Fiber is made in part from renewable plant based ingredients.

PERFORMANCE

ColorStrand has unsurpassed colorfastness to light, atmospheric contaminants, and harsh cleaning agents. Our Sentry Plus Soil® and Stain Protector keeps your investment looking newer longer.

EASY TO CLEAN

ColorStrand carpet fiber will resist permanent stains caused by spills of all conventional acid-based substances.

SUSTAINABILITY

ColorStrand is 25% certified Pre-Consumer Recycled Content* (third party certified by Underwriters Laboratory®) and CRI Green Label Plus® certified for VOC emissions. Recyclable through Mohawk's ReCover Program and contains 30% certified recycled content.

Weldlok® OnGuard

HIGH PERFORMANCE BACKING SYSTEM MOISTURE SOLUTION

OnGuard is a revolutionary moisture barrier that enhances Mohawk's Weldlok backing system with an integrated layer that prevents moisture from getting beneath the carpet backing. This advanced moisture barrier passes both the British Spill Test and the 10,000 impact test. When installed using Mohawk Group's NuBroadlok® VRT broadloom adhesive and NuBroadlok Moisture Proof Latex Seam Sealer, Weldlok OnGuard forms a fortified barrier to safeguard from spills, while allowing moisture vapor to safely pass through the system.

Weldlok®

COST EFFECTIVE STANDARD PERFORMANCE

Weldlok® is the Mohawk Group's standard broadloom backing system specifically designed for commercial applications. The Weldlok® backing is laminated to our products utilizing a commercial thermoset adhesive. This adhesive is designed to encapsulate and penetrate the carpet back stitch in the main application coat, while the second application coat secures the secondary backing to the carpet substrate for a cost effective performance standard.

SERVICE

Warranties	Lifetime Limited Wear Warranty, Lifetime Static
------------	---

Mohawk Group warrants its adhesives for the life of the original installation only when a Mohawk Group style (product) is installed. Mohawk's floor preparation procedures must be followed to ensure that the substrate has been prepared properly. Failure to use Mohawk Group adhesives or to follow Mohawk's floor preparation procedures will void all lifetime adhesive warranties. Please contact your local Sales Representative for installation guidelines.

These patterns contain inherent characteristics which may result in pattern run off and/or pattern appearance variations at the seams or tile edges (darker or lighter pattern lines). These characteristics are inherent in the patterns and are not manufacturing defects. Consideration to these characteristics should be given when selecting an installation method.

Mohawk Group is providing this slip case for the purpose of promoting our commercial business. This slip case and its samples shall remain the property of Mohawk Group. Color may vary from dye lot to dye lot. Substitution of material may be made due to improved technology, supply limitations or other factors. The performance of this product is not affected by such variations.
