

Fresco Valley Collection | LVT

Interdeco™

Cliff
Great Heights
Ridge

Interface®

For beautifully uplifting LVT, nature works.

Step into Fresco Valley, a beautifully unique collection of LVT that integrates exquisite, natural detail into three original designs.

Cliff™ expresses flowing layers of stone, stippled with organic texture. Ridge™ reveals shimmering seams of water, angling across rocky minerals. And Great Heights™, with its rich, glowing woodgrain textures, varies in tone across expanding spaces.

Unique patterns born from nature, with sophisticated hues designed to enrich and enliven enjoyable interior spaces. Available in planks and squares.

Like all Interface products, the Fresco Valley Collection is part of our Carbon Neutral Floors™ program. When you specify Interface flooring, you're on the path to a more sustainable space. You're choosing to reduce the carbon footprint of your space and help improve the health of the planet.

Specifications

Cliff™ Colorline

Product Number	A024
Product Construction	High Performance Luxury Vinyl Tile
Class / ASTM F1700	Class III Printed Vinyl Tile
Wear Layer Thickness	22 mil
Total Thickness	4.5mm
Backing Class	Commercial Grade
Finish	Ceramor™ Coating
Nominal Dimensions	25cm x 1m (9.845 in x 39.38 in)
Total Recycled Content (Pre Consumer)	39%
Indoor Air Quality	GREENGUARD Gold FloorScore® Certified CDPH 01350 Compliant Carbon Neutral Floors™
Full Life Cycle Carbon Emissions	
Environmental Certifications	NSF/ANSI 332 Silver
LEED v4	Contributes to multiple IEQ and MR credits

Why Our Modular Resilient Sound Choice™ 4.5 mm LVT?

Integrated System

Save time and look good doing it. Our Sound Choice LVT integrates with our full product portfolio, allowing you to streamline specification and installation of your floorplate. Add our modular carpet for an inset rug or an adjacent field – no transition strip required.

Easy Maintenance

Create a unique look that lasts. Interface Sound Choice LVT extends the life of your floor. From simple maintenance like damp mopping to selectively replacing damaged tiles, your flooring investment will stand the test of time - beautifully and effortlessly.

Circular System

Keep flooring out of the landfill. Our Sound Choice™ backing is produced with a controlled material stream so it is recyclable through our ReEntry™ program. And, like all of Interface modular resilient flooring, our LVT contains 39% recycled content.

Noise Reduction

Silence distractions. Sound Choice is a specially formulated backing for superior noise reduction, offering you best-in-class impact sound reduction and floor to floor sound transmission.

High Performance from Top to Bottom

- 1. Ceramor™ Coating.** Minimizes everyday scratching and scuffing.
- 2. Wear Layer.** High quality layer enabling 15 years of resilience and performance.
- 3. Print Film.** Provides outstanding visuals of natural materials and Interface innovative designs.
- 4. Core Sheet.** Creates a thickness for a stronger core and reduces telegraphing from beneath.
- 5. Fiberglass.** Adds dimensional stability and controlled flexibility.
- 6. Core Sheet.** Creates a thickness for a stronger core and reduces telegraphing from beneath.
- 7. Sound Choice Backing.** Provides comfort and superior acoustic performance.

Interface Sound Choice LVT and carpet tile allow you to seamlessly move from hard to soft surfaces. No transition strip needed.

Help Lower Your Carbon Footprint

Like all the flooring products we sell, Interface LVT is carbon neutral across its full product life cycle through our third party verified Carbon Neutral Floors™ program. To find out more, visit interface.com/carbonneutral

Environmental Product Declaration (EPD)

A third-party verified statement of product ingredients and environmental impacts over the entire life cycle of a product.

Health Product Declaration (HPD)

A transparency tool for evaluating if a product includes materials of concern and whether it supports Green Chemistry.

GREENGUARD Gold & FloorScore®

Meeting the highest standards for indoor air quality and assuring very low emissions of VOCs, Interface LVT is GREENGUARD Gold and FloorScore® Certified and CDPH 01350 compliant.

NSF/ANSI 332 Silver

This standard evaluates the environmental impact of resilient floor covering for its entire life cycle.
