CURATED CRAFT

Curated Craft, the first wool product introduced to Durkan, is an elegant broadloom collection of luxurious and delicate patterns. Consisting of five styles, Curated Craft elevates the most captivating suites and adds sophistication, depth and long-lasting beauty.

Wool blend carpets have all the wonderful attributes of soft, durable and environmentally friendly wool as well as the distinct qualities of the blended fibers. Depending on the fiber, blended fibers may contribute extra texture, signature style or built-in stain resistance.

Wool is naturally non-allergenic, incredibly durable, easy to clean, crush and static resistant and remarkably soft. Durkan wool provides lasting beauty to any sophisticated interior.
