XENIA

XENIA Collection
By Virginia Langley

XENIA

The passage of time has been interpreted into a journey of dimensional, textural art forms fusing organic, industrial styles and tonal treatments. Immersive concrete surfaces, century old woods, free flowing images and botanicals form a convergence of blended effects transformed into modern designs. Rediscovering treasures of the old worlds and embracing a contemporary, sophisticated warmth, Xenia is a stylized confluence of technology and artistic poetry.

—Virginia Langley

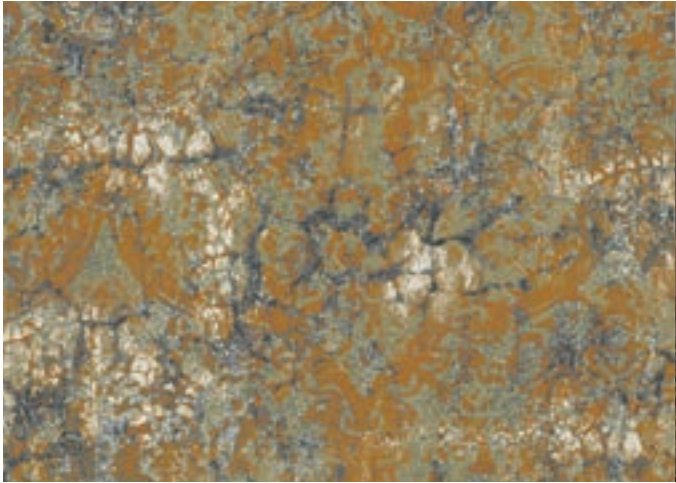

The Xenia Collection features styles offered in Durkan's innovative Definity technology as well as PDI and CYP. Please contact your rep or visit www.durkan.com for more information.
