TULUM

a collection designed by Stacy Garcia

Immerse within the uninhabited regions of pristine coastlines with Tulum, a diverse collection of worldly designs. Boasting a bohemian style and chic aesthetic, playful medallions, organic paisleys, and hand-painted motifs capture the essence of ancient Aztec and Mayan cultures with a modern twist. Bright turquoise waters and white sand beaches inspire the palette, complemented by bold berry, coveted coral, and a hint of dijon. With an eclectic flair and sense of wonder, Tulum evokes an air of exploration and adventure.

Product Guide

Tulum is available in Definity, PDI and CYP constructions. Each product type utilizes a different manufacturing process which can yield variations in color and texture. Please refer to the guide below for specific color information.
