

Mohawk Group's Scratch Art Design Contest solicited the artistic talents of K-12 students nationwide to create the next design in Mohawk's Mixology Collection. A panel of seasoned carpet designers chose the best of the best from the extensive pool of creative submissions. Andi Rozelle of Holy Spirit Preparatory School in Atlanta was selected as the winner of the competition. Her dynamic design translated beautifully into the newest Mixology pattern, Posture. Carpet tile featuring Andi's original design was donated back to her school library where it has created a brighter learning environment for all who encounter and interact with the space.

# Mixology

The styles in our Mixology Collection were designed to celebrate the breadth of color available in today's carpet market while providing the customer with the simplest installation and flooring management possible. The patterns are composed of 5 of the most popular neutral colors mixed in with a kaleidoscope of randomly chosen end-of-lot yarns. These multicolored yarns are diverted from our excess yarn lots and given new life in strikingly beautiful carpet rather than being down-cycled into other industry products. The beauty of this product is in the fact that the embedded pattern and the neutral color remain consistent from tile to tile while the accent colors change, making each tile unique. It is this subtle color variation that contributes to the ease of installation by eliminating concerns about matching dye lots and limited installation methods. The Mixology Collection is the perfect solution for those seeking to celebrate color as well as those who recognize the positive environmental impact that comes from redefining beautiful with repurposed yarn.

### FEATURES

- No 2 tiles are alike but work flawlessly together on your floor
- All installation methods available
- Diverting useful materials from the waste stream is good for the environment
- All styles are available in Quickship

# Matuto Plus Stone COORDINATING LVT

Named after the Filipino word for "teacher," Matuto Plus Stone features eye-catching colors that energize the space and stimulate creativity. Mix and match across the palette of the most popular school colors in the US – from fresh, youthful brights to an array of clean grounded neutrals.

### Matuto Plus Stone Colorways

646A Green Grass Stone	656A Botany Stone	556A Mega Blue Stone	555A Blue Night Stone
599A Deep Sea Stone	454A Wizard Stone	353A Red Hot Stone	252A Outrageous Orange Stone
131A Lemon Twist Stone	123A Barely Beige Stone	752A Nutshell Stone	858A Bronze Blast Stone
959A Grey Granite Stone	927A Sonic Silver Stone	926A Agreeable Grey Stone	915A Frostbite Stone

### CONSTRUCTION

The 12"x 24" tiles are designed with a versatile concrete style visual and embossed texture, especially relevant in schools, healthcare settings and retail spaces.

### PERFORMANCE

The 20 mil commercial wear layer coated with a M-Force<sup>™</sup> Ultra finish provides durability and cleanability with a no-polish option that allows for cost-effective maintenance.

### COLOR

Mix and match across the palette of the most popular school colors in the US – from fresh, youthful brights to an array of clean grounded neutrals.

# Transparency SUSTAINABLE LEADERSHIP

Mohawk Group leads the building products industry in transparency with the largest selection of products with Declare Labels, Health Product Declarations (HPDs), and Environmental Product Declarations (EPDs). What's more, we offer over 500 Red List Free Declared products.

### OUR COMMITMENT

As a Gaia sponsor of the International Living Future Institute (ILFI), we are committed to revolutionary programs that are redefining the green building movement. These include the ILFI's Living Building Challenge and Declare programs.

Declare Labels are a 'nutrition label' for the building industry, providing ingredients, source and manufacturing locations. We offer you:

- The most products with Declare Labels
- The most Red List Free products

We have eliminated the mystery of product ingredients so you get total product transparency.\*

#### SERVICE

Warranties

Lifetime Limited Carpet Tile Warranty, Lifetime Static

#### Installation Instructions:

Mohawk Group warrants its adhesives for the life of the original installation only when a Mohawk Group style (product) is installed. Mohawk's floor preparation procedures must be followed to ensure that the substrate has been prepared properly. Failure to use Mohawk. Group adhesives or to follow Mohawk's floor preparation procedures will void all lifetime adhesive warranties. Please contact your local Sales Representative for installation guidelines.

These patterns contain inherent characteristics which may result in pattern run off and/or pattern appearance variations at the seams or tile edges (darker or lighter pattern lines). These characteristics are inherent in the patterns and are not manufacturing defects. Consideration to these characteristics should be given when selecting an installation method.

Chair pads are recommended under office chairs with roller casters to preserve appearance retention, act as a deterrent toward delamination and to prevent premature or accelerated wear. Walk-off tiles from the Tuff Stuff II Collection are recommended at entryways to reduce solling. Mohawk Group is providing this architect folder for the purpose of promoting our commercial business. This folder and its samples shall remain the property of Mohawk Group. Color may vary from dye lot to dye lot. Substitution of material may be made due to improved technology, supply limitations or other factors. The performance of this product is not affected by such variations.
