Studio Set Vol. 2 | LVT

Climate change is undeniable. And reversible. Our mission is to prove it. Join the #ClimateTakeBack and help create a climate fit for life.

Interface®

Who doesn't love a bold choice? With Studio Set LVT, we encourage you to embrace a saturated spectrum of daring brights and warm neutrals—and take note of the subtle woodgrain pattern that suggests texture without demanding attention. Go beyond conventional solutions to create inspiring spaces with pure color and unique composition. Choose Studio Set.

Studio Set LVT is fully recyclable through our **ReEntry™** program and contains a significant percentage of recycled content. As part of Interface's commitment to Climate Take Back™, all of the products we sell are carbon neutral across their full life cycle. **Carbon Neutral Floors™**

Specifications

Product Number	A007
Product Construction	High Performance Luxury Vinyl Tile
Class / ASTM F1700	Class III Printed Vinyl Plank
Wear Layer Thickness	22 mil
Total Thickness	4.5 mm
Backing Class	Commercial Grade
Finish	Ceramor™ Coating
Nominal Dimensions	25 cm x 1 m (9.845 in x 39.38 in)
Indoor Air Quality	GREENGUARD Gold FloorScore® Certified CDPH 01350 Compliant
Carbon Offsets	Carbon Neutral Floors™
Environmental Certifications	NSF/ANSI 332 Silver
LEED v4	Contributes to IEO: <i>Low Emitting Materials</i> ; M&R: <i>EPD</i> and <i>EPR</i>
End of Life	Fully Recyclable into Carpet Tile Backing through ReEntry®

Installation Methods Ashlar, Herringbone

Interface Modular Resilient
Sound Choice LVT and Modular
Carpet allow you to seamlessly
move from hard to soft surfaces.
No transition strip needed.

LVT PRODUCT STUDIO SET COLOR A00725 DARK GREEN
CARPET PRODUCT AE311 COLOR 104673 IRON

Why Our Modular Resilient Sound Choice™ LVT?

Integrated System.

Say goodbye to transition strips and doubling up. Our Sound Choice LVT is made to work as a system with our modular carpet. The compatible size and height of our products allows you to integrate modular carpet for an inset rug or an adjacent field – no transition strip required. You'll avoid doubling up on materials and save money.

Real Flexibility.

Create a unique look that lasts. Interface modular resilient LVT extends the life of your floor. From simple maintenance like damp mopping to selectively replacing damaged tiles, your flooring investment will stand the test of time - beautifully and effortlessly.

Circular System.

Keep flooring out of the landfill. Our modular resilient LVT is produced with a controlled material stream so it can be reclaimed and recycled into new recycled content carpet backing through our ReEntry™ program.

Noise Reduction.

Silence distractions. Interface is helping create +Positive spaces™ with our LVT with Sound Choice backing. Sound Choice is a specially formulated backing developed for superior noise reduction, offering you best-in-class performance for reduced impact sound and floor to floor sound transmission.

High Performance from Top to Bottom.

1. *Ceramor™ Coating.* Minimizes everyday scratching and scuffing.
2. *Wear Layer.* High quality layer enabling 15 years of resilience and performance.
3. *Print Film.* Provides outstanding visuals of natural materials and Interface innovative designs.
4. *Core Sheet.* Creates a thickness for a stronger core and reduces telegraphing from beneath.
5. *Fiberglass.* Adds dimensional stability and controlled flexibility.
6. *Core Sheet.* Creates a thickness for a stronger core and reduces telegraphing from beneath.
7. *Sound Choice™ Backing.* Provides comfort and superior acoustic performance.

Third Party Certifications.

Third Party Certification
Our Carbon Neutral Floors program is annually verified by a third party.

Carbon Neutral Floors. The flooring products that we sell - carpet tile, LVT, and nora rubber sheets and tiles - are carbon neutral across their full product life cycle. We've taken a holistic approach to achieve carbon neutrality, first through reducing the carbon footprint of our products and then using carbon offsets for the remainder.

Environmental Product Declaration (EPD). Interface LVT products are covered by an EPD. An EPD provides a comprehensive statement of product ingredients and environmental impacts based upon life cycle assessment performed to ISO standards.

Sustainable Assessment. Interface LVT meets the certification standards of the NSF/ANSI 332 Sustainability Assessment for Resilient Floor Coverings. This standard evaluates the environmental impact of resilient floor covering for its entire life cycle.

Indoor Air Quality. All Interface modular flooring products meet the highest standards for indoor air quality. Interface LVT is GREENGUARD Gold and FloorScore® Certified and CDPH 01350 compliant, assuring very low emissions of VOCs.
