

ANDANTÉ

By Virginia Langley

ANDANTÉ

The collection name Andanté is a Latin term meaning “to do with feeling”. The Italian musical world use it as an expression of how to play a particular tune ... if it is said to play Andanté ... it means to add soul & meaning to how you play/do something, to do slowly, carefully, with pleasure. I love this term & think it portrays well into the design world when artwork is done with feeling & passion to design Andanté.
