Climate change is undeniable. And reversible. Our mission is to prove it. Join the #ClimateTakeBack and help create a climate fit for life.

Stargazing Collection | LVT

Interface®

Colorful. Functional. Fun.

The Stargazing™ LVT Collection was designed with the specific needs of school facilities, with two patterns that cleverly hide dirt and wear over time. Look to the skies for complementary square products in 18 different colorways: Scorpio™ delivers a multi-directional geometric design that transitions well into the dynamic textures of Aries™. And, you'll find exact coordinates for Stargazing styles in Studio Set™ and Walk on By™ LVT — all of which work together to create flexible design opportunities for K-12 schools.

Stargazing LVT is fully recyclable through our **ReEntry™** program and contains a significant percentage of recycled content. As part of Interface's commitment to **Climate Take Back™**, all of the products we sell are carbon neutral across their full life cycle through the **Carbon Neutral Floors™** program.

Specifications

Product Number	A018
Aries	A017
Scorpio	High Performance Luxury Vinyl Tile
Product Construction	Class III Printed Vinyl Tile
Class / ASTM F1700	22 mil
Wear Layer Thickness	4.5mm
Total Thickness	Commercial Grade
Backing Class	Ceramor™ Coating
Finish	
Nominal Dimensions	50cm x 50cm (19.69in x 19.69in)
Aries & Scorpio	GREENGUARD Gold
Indoor Air Quality	FloorScore® Certified
	CDPH 01350 Compliant
Carbon Offsets	Carbon Neutral Floors™
Environmental Certifications	NSF/ANSI 332 Silver
End of Life	Fully Recyclable into Carpet Tile Backing through ReEntry™
Installation Methods	Ashlar, Brick, Monolithic, Non Directional, Quarter-Turn
Aries & Scorpio

Interface Modular Resilient Sound Choice LVT and Modular Carpet allow you to seamlessly move from hard to soft surfaces. No transition strip needed.

LVT PRODUCT SCORPIO COLOR A01711 TURQUOISE
CARPET PRODUCT AE315 COLOR 105817 MIST/AQUAMARINE

Why Our Modular Resilient Sound Choice™ LVT?

Integrated System.

Say goodbye to transition strips and doubling up. Our Sound Choice LVT is made to work as a system with our modular carpet. The compatible size and height of our products allows you to integrate modular carpet for an inset rug or an adjacent field – no transition strip required. You'll avoid doubling up on materials and save money.

Real Flexibility.

Create a unique look that lasts. Interface modular resilient LVT extends the life of your floor. From simple maintenance like damp mopping to selectively replacing damaged tiles, your flooring investment will stand the test of time - beautifully and effortlessly.

Circular System.

Keep flooring out of the landfill. Our modular resilient LVT is produced with a controlled material stream so it can be reclaimed and recycled into our CQuest™GB recycled content carpet backing through our ReEntry™ program.

Noise Reduction.

Silence distractions. Interface is helping create +Positive spaces™ with our LVT with Sound Choice backing. Sound Choice is a specially formulated backing developed for superior noise reduction, offering you best-in-class performance for reduced impact sound and floor to floor sound transmission.

High Performance from Top to Bottom.

1. *Ceramor™ Coating.* Minimizes everyday scratching and scuffing.
2. *Wear Layer.* High quality layer enabling 15 years of resilience and performance.
3. *Print Film.* Provides outstanding visuals of natural materials and Interface innovative designs.
4. *Core Sheet.* Creates a thickness for a stronger core and reduces telegraphing from beneath.
5. *Fiberglass.* Adds dimensional stability and controlled flexibility.
6. *Core Sheet.* Creates a thickness for a stronger core and reduces telegraphing from beneath.
7. *Sound Choice Backing.* Provides comfort and superior acoustic performance.

Third Party Certifications.

Third Party Certification
Our Carbon Neutral Floors program is annually verified by a third party.

CERTIFIED BY
SCS Global Services

Carbon Neutral Floors. The flooring products that we sell - carpet tile, LVT, and nora rubber - are carbon neutral across their full product life cycle. We've taken a holistic approach to achieve carbon neutrality, first through reducing the carbon footprint of our products and then using carbon offsets for the remainder.

Environmental Product Declaration (EPD). Interface LVT products are covered by an EPD. An EPD provides a comprehensive statement of product ingredients and environmental impacts based upon life cycle assessment performed to ISO standards.

Sustainable Assessment. Interface LVT meets the certification standards of the NSF/ANSI 332 Sustainability Assessment for Resilient Floor Coverings. This standard evaluates the environmental impact of resilient floor covering for its entire life cycle.

Indoor Air Quality. All Interface modular flooring products meet the highest standards for indoor air quality. Interface LVT is GREENGUARD Gold and FloorScore® Certified and CDPH 01350 compliant, assuring very low emissions of VOCs.
